LINCOLN SCHOOL CLOSED.

Authorities Take Action to Safeguard Health of the Children.

While conditions are by no means alarming, the school authorities have taken precaution of the fact that there are several cases of diphtheria in the district tributary to the Lincoln school on Waterworks street, and to safeguard the health of the children against the danger that exists they have ordered the school closed for fumigation.

No far there have been two deaths among the pupils of the school due to this ailment and a very few of the pupils are sick with the disease. As each case has been isolated from the time it came under observation, the danger to which the other children has been exposed is very slight. Still as a precaution against the further spreading of the disease, the step above mentioned has been taken. It is probable the school will be closed until Monday of next week and in the interim of about ten days since last Friday, it will be thoroughly fumigated.

The teachers in all of the schools are keeping a close watch of the health of all pupils, and where symptoms of contagious disease are noted, the child is sent home with the recommendation to the parents that a physician be called.

ORGAN IS DEDICATED.

The splendid new pipe organ of St. Mary's Italian church was formally dedicated yesterday morning. Rev. Fr. Haas of the Sacred Heart church celebrated solemn high mass at 11 o'clock and the sermon was delivered by Rev. Mr. Modin. Miss Mary Coppe presided as organist and vocal solos were rendered by Miss DeFonso and Rudina. Members of the various Italian fraternal societies attended. The services were of a very impressive nature.

WILL HEAR NEW TRIAL MOTION

Another Chapter in Seeberville Murder Case Soon

Although Judge Richard C. Flannigan of the eleventh judicial district, has not as yet handed down a decision in the matter of granting a new trial for the four men convicted and sentenced in connection with the Seeberville murder, he has granted a hearing for an amended motion, which has been made by the attorneys for the four men involved. The amended motion will be heard at Iron Mountain, Dickinson county next week, probably about Oct. 12.

The original motion, which was filed about six weeks ago, contained between thirty and forty exceptions as a basis for the granting of another trial. The hearing was held in Houghton about three weeks ago and the application taken under advisement by Judge Flannigan, who presided at the original trial.

Now the attorneys who made the original motion, have filed an amended motion, which contains practically all of the exceptions cited in the first motion, as well as some additional exceptions. Judge Flannigan has notified Attorney W. J. Gallwey of Calumet that he will be unable to come to Houghton to conduct this hearing, but will be willing to hear the amended motion at Iron Mountain next week.

MRS. MARY A. JORY DIES AT HOME OF DAUGHTER

WELL KNOWN RESIDENT OF CALUMET PASSES AFTER LONG ILLNESS.

Mrs. Mary A. Jory, aged sixty-four years, a resident of the copper country for about forty years, passed away this morning at the home of her daughter, Mrs. Stephen Tobin, 1184 Calumet avenue. The deceased had been in failing health for an extended period, especially since the death of her husband, the late Edwin Jory, about two years ago. Complications during the last few weeks brought about her demise.

The late Mrs. Jory was born in Cornwall, England, but came to this country when a young woman, and made her home in Calumet almost continuously since.

The following children survive, Mrs. Tobin, Mrs. Fred Richards and Mrs. Chris Treverrow of Calumet, Mrs. Charles Ham of Strathcona, Western Canada and Edwin J. Jory of Calumet.

The funeral services will be held Wednesday afternoon from the Lutheran Methodist Episcopal church, Rev. W. H. Collycott officiating. Members of Elizabeth Rebeckah lodge, I. O. O. F., will attend in a body. Interment will be in Lake View cemetery.

Diphtheria Causes Death.
The death occurred yesterday, of Emmett, the six-year-old son of Mr. and Mrs. Joseph Daniels of Pine street. The funeral services were held privately today.

GREAT BODILY HARM.

Calumet Man Arrested on Charge of Hurling Boulder at Woman.
George Lukats was arrested and arraigned before Justice William Fisher this morning on the charge of assault with intent to do great bodily harm less than the crime of murder. He was held on examination which was set for Friday. Up to this afternoon he had not procured bond.

Complaint in this case was made by George Veresh, on behalf of his wife, the complainant alleging that Lukats hurled a large boulder, which was exhibited to the court, at the woman and striking her in the side. The alleged assault is said to have followed an altercation in which the two became involved which had its foundation in a quarrel among their children.

AUTOMOBILES COLLIDE.

Cars Come Together at Corner of School and Rockland Streets.
The automobiles of Dr. A. C. Roche, and Dr. MacDonald, the former a Chalmers and the latter an Oakland car, collided last evening at the corner of School and Rockland streets, both machines being damaged. Mrs. MacDonald and the daughter of Dr. and Mrs. Roche were slightly hurt.

It appears the MacDonald machine was bound east on the right side of School street and at Rockland street the Roche car turned into School street from the south side. The collision could hardly have been avoided.

SOCCERITES PLAN MATCH.

John Johnstone and J. Truscott of Calumet have been invited to join the Quincy soccer football team which will journey to Iron Mountain Saturday of this week to meet the Iron Mountain soccerites in a match for the upper peninsula championship. Gold medals will be awarded to the winners. It is expected the local players will make the trip.

A special meeting of the Elizabeth Rebeckah Lodge No. 15 will be held in their hall Tuesday afternoon at 2 o'clock to make arrangements to attend the funeral of our deceased Sister Jory. Emily Harris, N. G. Advertisement—6

BOARD TO MEET OCT. 13.

The regular October meeting of the board of education of school district No. 1 will be held Tuesday evening, Oct. 13. Among the matters to come up for consideration will be the re-opening of the free night school maintained each year. It is probable provision will be made for opening the night school about Nov. 1. The subjects which are in greatest demand will be provided.

HUNDREDS OFFER PRAYERS FOR END OF GREAT WAR

SERVICES HELD IN CALUMET DISTRICT YESTERDAY PROVE VERY INTERESTING.

Prayers for peace in Europe were offered up in every church in the Calumet district yesterday, hundreds joining in the nationwide appeal for divine aid in ending the European war. Recognition of the day set apart by the president for prayer, was quite normal.

Yesterday afternoon at the Calumet Y. M. C. A. a union prayer service was held for the men of all denominations. The attendance taxed the capacity of the meeting room. W. J. Reynolds presided as chairman of the meeting and there were talks by Rev. D. D. Stalker, D. D. and by Rev. George W. Broome, as well as by many laymen. The meeting proved a very inspiring one. Vocal numbers by the male chorus and by George Semmens were very much enjoyed.

At the First Presbyterian church, a similar meeting was held yesterday afternoon for the women of Calumet. This was presided over by Mrs. Estelle H. Thompson. The women present participated in the meeting freely. The program included a vocal solo by Miss Trimmingham, supervisor of music in the Calumet schools.

LOCAL BREVITIES.

Arvid Kostamo has arrived home from Sudbury, Ont., and will resume his residence here.

John Peters has departed for Gratton, West Virginia, where he expects to locate.

Mrs. Albert A. Eplette of Ironwood, who has been visiting with copper country friends, has departed for her home in Ironwood.

Melore Leary of L'Anse is visiting with Calumet friends.

W. James of Oshkosh is spending a short time here on business.

C. P. Short and D. E. Power of Duluth are in Calumet.

Paul Schneller left yesterday, on a short business visit to Chicago.

J. W. Beachey of Vertin Bros. store, left yesterday for Green Bay, Wis.

Mrs. John O'Neil of Eighth street, one of the oldest residents of the community is seriously ill.

The Wolverine Surface team has clinched the pennant of the Wolverine-Kearsarge league at indoor-outdoor ball.

Thomas Tremberth, who left here a short time ago for St. Louis, has enlisted in the U. S. regular army, according to word received here.

William Mattson has arrived home from Montana, where he has been located for some time past.

William D. Wilstermann has gone to Detroit and southern Michigan.

Mr. and Mrs. John Frisk and children have left for Virginia, Minn., where they expect to make their home.

Mr. and Mrs. Antone Penner, who have been visiting in Calumet, have left for their home in Ottumwa, Iowa.

Mr. and Mrs. Harry Ellis, who have been visiting in Great Falls for some time past, have returned home.

Fred Johnson has left for South Haven, Mich., his former home, where he will shortly be married.

Misses May and Catherine Edwards have gone to Seattle, where they expect to spend the winter with their brother, Henry Edwards.

J. L. Kingman, J. H. Parker and James L. Ford of Chicago, inspectors for the Hartford Boiler Insurance and Inspection company, are in the copper country on business.

The funeral of Fred Davies, who died suddenly at Ahmeek last week, was held this afternoon, with services from the Bryant residence in charge of Rev. Isaac Wilcox.

Born Saturday, to Mr. and Mrs. Carl Johnson of Eighth street, a son.

POSTOFFICE IN NEW QUARTERS

Old and New Buildings Are in Use in Calumet Today

The Calumet postoffice is today being moved into new quarters in the Rappe building on Sixth street. The change is being made gradually so as to cause as little inconvenience as possible for the patrons, and it is expected that by tomorrow morning it will be possible to transfer the business to the new building entirely.

Practically all of the fixtures were placed in position this afternoon. They are modern and provide a splendid working equipment for Postmaster Ryan's force.

Although the incoming mails were distributed at the old building, the outgoing mails this afternoon will be dispatched from the new quarters.

The new postoffice quarters are larger, cleaner, better ventilated and better lighted than the old quarters. An innovation is noted in the fixtures for the building, in that call boxes hereafter will be dispensed with. All of the postoffice boxes, large and small are locked with a combination and can be opened by the lease. It is expected this will have the effect of slightly reducing the clerical work.

The carriers' distributing cases are divided into modern small compartments set off with wire loops to facilitate the distribution of mail and the general distribution cases also are a big improvement on the old. Calumet residents will have no reason to regret the change when it has been completed.

COLOSSEUM TO RE-OPEN.

New Hardwood Floor is Completed and Rink is in Fine Shape.

The Colosseum rink will be formally reopened for roller skating this evening after having been closed for one week during the installation of a new hardwood floor. The C. & H. band will be in attendance.

Manager King announced this morning that the floor is complete and in perfect condition. About 500 pairs of skates are available for the patrons. The rink hereafter will be open on Monday, Wednesday and Saturday evenings, with the band in attendance, and also will be open every afternoon of the week.

RESERVES MEET TUESDAY.

There will be another meeting of candidates for the proposed Calumet division of the state naval reserves tomorrow evening. Committees named at the last meeting to investigate the possibilities of securing a suitable armory will present their reports and it is probable there will be another drill.

Most of our boys' suits are made with the Governor faster on the pants. Vertin Brothers and Co., Clothing Dept. Advertisement—5.
